

## **Do You Remember Bernie Witkin?**

Bernie Witkin died 25 years ago last December. To commemorate his passing and celebrate his profound and lasting influence on California law, the California Supreme Court Historical Society will be collecting and preserving remembrances from those who knew Bernie so that they are not lost. We hope you will join in this effort. If you have a personal story about Bernie that you would be willing to include, please contact John Wierzbicki, who is leading this project, at [witkinstories@gmail.com](mailto:witkinstories@gmail.com).

Bernie's achievements have stood the test of time; now let us preserve his stories, his humor, his humanity.
